Pure Beauty

Vitazan Professional is excited to introduce a new line of topical Pure Beauty Oils to complement the wholistic care of patients from the outside-in.

Vitazan's Pure Beauty Oils have been selected on the merit of their chemical compositions, traditional uses, and supporting research. With varying compositions of the poly- and monounsaturated fatty acids (omega-3s, -6s, -7s, and -9s), vitamin E, carotenes, flavonoids, sterols, and other nutrients, each of these oils offer benefits to our skin, hair, and nails.

The Pure Beauty Oils in this collection are certified organic and non-GMO. We have selected and validated our oil producers for their sustainable agricultural ethics and farming without the use of chemical fertilizers or toxic sprays. Our oils have been cold-pressed or extracted by solvent-free supercritical CO₂ extraction to ensure that you are receiving the purest, most nutrient-rich product.

As with all our Vitazan products, our Pure Beauty Oils are tested in our own industry-leading ISO 17025-accredited analytical laboratory for identity, purity, heavy metals, pesticides, and environmental toxins. Our exhaustive battery of tests also guarantees our exotic oils are not diluted with inferior carrier oils.*

Vitazan's Pure Beauty Oils are versatile and could be used alone or in combination for skin, nail, and hair care. The addition of a few drops of our Organic Essential Oils could enhance the therapeutic actions or scent of the Beauty Oil.

* Although not diluted with vegetable or other carrier oils, our exotic oils do contain a minute amount of vitamin E for stability.

Oil Collection

Skin Care: Beauty oils are best applied as a light coat on clean skin after bathing and/or at bedtime. Some richer-coloured oils may stain clothes. It is best to use these oils sparingly and wait until the oils have been absorbed by the skin before getting dressed. Beauty oil could be used as spot-treatment for blemishes, age spots, or under eyes, or to minimize the look of wrinkles and fine lines.

Scalp Care: If addressing dryness, dandruff, or general scalp care, apply oil directly to scalp as a spot treatment. Massage the oil into scalp, then slip on a shower cap for up to 30 minutes. Rinse out oil before shampooing and conditioning hair.

Hair Care: To use oil as a hair mask, apply oil directly to hair and massage oil, making sure to cover each strand. Place a shower cap over hair and leave on for up to 30 minutes. Thoroughly rinse hair before shampooing and conditioning.

Nail Care: Massage oil to condition cuticles as well as to hydrate and strengthen nails.

Patch-Testing Prior to First Use: To help predict how your body will react to the topical oil, apply a small amount of oil onto a clean area of skin on the upper forearm. Keep the area dry. After 24 hours, rinse the area. If any redness, burning, itching, or irritation is observed at any time throughout the test, do not use the product.

Code	Oil	Price	MSRP
2628	Rosehip	13.30	23.94
2629	Baobab	12.55	22.59
2630	Argan	14.96	26.93

Rosehip Seed Oil

Ingredients: Organic rosehip (*Rosa rubiginosa* or *Rosa moschata*) seed oil* with added natural vitamin E.

*Cold-pressed, nondeodorized

Origin: Southern Andes

Sea Buckthorn Seed Oil

Ingredients: Organic sea buckthorn (*Hippophae rhamnoides*) seed oil* with added natural vitamin E.

*CO₂ supercritical extract

Origin: Qinghai-Tibetan Plateau

Argan Oil

Ingredients: Organic raw argan (*Argania spinosa*) seed oil* with added natural vitamin E.

*Cold-pressed, nondeodorized

Origin: Morocco

Goji Seed Oil

Ingredients: Organic goji (*Lycium barbarum*) seed oil* with added natural vitamin E.

*CO₂ supercritical extract

Origin: Qinghai-Tibetan Plateau

Moringa Seed Oil

Ingredients: Organic moringa (*Moringa oleifera*) seed oil* with added natural vitamin E.

*Cold-pressed

Origin: South Africa

Cranberry Seed Oil

Ingredients: Organic cranberry (*Vaccinium macrocarpon*) seed oil* with added natural vitamin E.

*Cold-pressed

Origin: Canadian Shield

Baobab Oil

Ingredients: Organic baobab (*Adansonia digitata*) seed oil* with added natural vitamin E.

*Cold-pressed

Origin: Southern Africa

Tamanu Oil

Ingredients: Organic tamanu (*Calophyllum inophyllum*) seed oil* with added natural vitamin E.

*Cold-pressed, nondeodorized

Origin: South Pacific Islands

Pomegranate Seed Oil

Ingredients: Organic pomegranate (*Punica granatum*) seed oil* with added natural vitamin E.

*Cold-pressed

Origin: Qinghai-Tibetan Plateau
